### **ST.VINCENT DE PAUL CORNER**

Dear Parishioners

The year has got off to a busy start for St. Vincent de Paul in the parish. With the long month of January a difficult time for many of the people we visited. To date throughout the Okanagan Valley the Society at large has seen an increase in the number of calls for assistance it has received. With the rising cost of food, utility bills, and the continued need to spend sometimes up to 80% of their monthly income on rent many people are finding it difficult to make ends meet.

It is because of your continued generosity towards monthly collections, significant individual donations, the CWL, the Knights of Columbus, and the Pius X Quilters financial gifts that our society is able to provide support to families within the parish. This is done with food hampers, vouchers, assistance with rent, and with utility arrears. In addition we are able to maintain regular quarterly payments to help Ozanam Recovery House Kelowna, our twin society in Haiti and special society projects within our particular area.

Many are the visits that we receive warm thanks and appreciation from the people we meet. We would like to continue to extend this thanks to you. Without your financial support our service would not be possible.

This month sees the Annual General Assembly of the St. Vincent de Paul for B.C. and the Yukon take place at St. Charles Garnier on the weekend of the 29<sup>th</sup> of April. This is a fantastic opportunity mix with Vincentians and find out about the Society and its entire works in the Province. The event can be attended by none members. Please contact me if you wish to attend.

We are still in urgent need of people to deliver hampers throughout the week on Monday, Wednesday, and Friday. Please spend a moment to consider becoming a member of our conference.

Many Thanks

Mike Wilson

### **THE VETS DIE-AGNOSIS**

A lady took her pet white duck into the vet's surgery. After examining the duck he pronounces, "Your duck is dead."

The woman asked, "Is there any more tests you can do to make sure it is definitely dead?"

The vet brought in his pet black Labrador who sniffed the carcass put its paw on the ducks chest and walk out of the surgery uninterested. The vet came in with his ginger tomcat that also sniffed the corpse, put its paw on the ducks chest, meowed and then jumped down from the examination table bored.

The vet went over to his computer pressed a few keys and handed her his bill.

She looked at it and asked him with a look on her face that would turn milk sour, "Your charges are a bit steep aren't they

He retorted, "If you'd accepted my first die-agonises my fee would have only been \$20, but with a lab-report and a cat-scan it came to \$120"
